Update

- The school is now evermore focused on the global pedagogy of 'self -directed Learning'.
- In the recent 'good feel indicator' survey the school was 1st in the country out of 23 locations making it the happiest campus in the country!
- The majority of students are on track for academic achievements of well above average.
- There a number of internal refurbishment projects being undergone – A Science Lab, Prep Room, DT Room, a new Primary Learning Centre and Secondary Learning Centre [collaborative learning spaces].
- Last month the students have raised £2,410.00 for Ukraine by walking or running a total of 1764miles [Colchester to Kiev].
- We have a total number of 155 students this current academic year.

Question

We note the works going on adjacent to the site and we would ask that a higher and more secure fence is provided by the contractor. How would we go about this please?

The reason for this is that we have had a problem with youths trespassing onto the AstroTurf pitch at weekends and evenings and on a number of occasions they have injured themselves. On one occasion an ambulance had to be called.
