

## WE'LL HELP

Report for Annual Parish Meeting on 19<sup>th</sup> April 2023

<sup>In</sup> ~~Last~~ <sup>last year</sup> March We'll Help started again to offer to take people to various surgeries, hospitals, eye clinics and dentists after the pandemic.

22 journeys were undertaken for 10 clients using all 14 volunteer drivers.

We usually have a small surplus of income over expenditure, and this year we hope to use it again for the first time, post Covid, to take our passengers out to tea.

Every single We'll Help report to the Annual Parish Meeting has ended with a plea for more volunteer drivers, and this year is no exception.
